# Globality Health

## The right partner at your side – worldwide

With health insurance from Globality YouGenio® World, you and your family are in good hands anywhere in the world and at all times. Our service centres on the ground are your reliable contacts. They speak with doctors and hospitals directly and take over the monitoring of treatment – even when the unforeseen happens.

Our aim is to give you and your family immediate access to high-quality medical services, wherever you are in the world. With Globality Health's service and assistance network of competent and experienced partners on the ground, we offer our customers individual support worldwide as well as comprehensive, competent consultation for any situation.

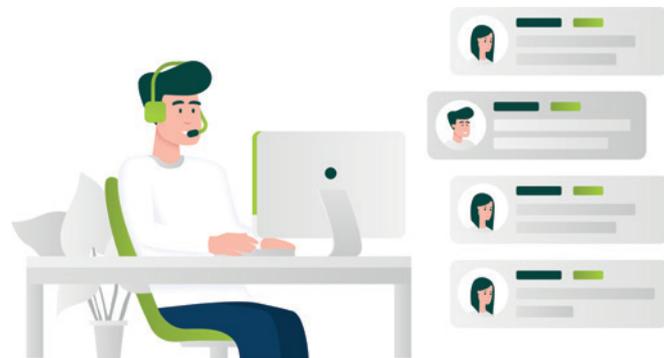

Globality Health's service centres provide round-the-clock service in several languages. As they are familiar with the local health systems, regional structures and peculiarities, they can recommend medical providers, doctors and hospitals which ensure our standards are met. Furthermore, our service centres make appointments or take care of acquiring any necessary medication.

With the support of our service centres, we can offer consistent and seamless services across the globe in accordance with Globality Health's high-quality criteria. Should you move from one region to another, your service centre may change – yet the service and assurance you enjoy from your Globality Health insurance remains the same wherever you go.

### Your advantages:

- Worldwide assistance and international experience
- Local experts, on the ground available to help you 24 hours a day, 365 days a year
- Direct settlement with medical providers
- Complete medical evacuation should the necessary facilities not be available locally
- Worldwide shipment of vital medication
